TO WHOM IT MAY CONCERN

Dear Sirs,

This is to advise potential customers & clients that the Leroy Somer TAL range is manufactured in the same factories in Europe where the LSA range is manufactured and both are dispatched from Leroy Somer facilities in France. The TAL & LSA are both brands of Leroy Somer that are manufactured with same high quality.

Also The TAL and the LSA ranges of alternators are both Leroy Somer products whereby Leroy Somer warranty terms and conditions apply.

Please advise if you require any further clarification

Yours,
